(Lisle, Illinois near Chicago)  
**10<sup>th</sup> Anniversary**

Our annual conference in April, 2002, will celebrate the 10<sup>th</sup> anniversary of ASIANetwork. Special sessions will reflect on the past decade and look forward to the future of Asian studies in the liberal arts curriculum, including ASIANetwork's role in promoting the study of Asia.

Please mark your calendar now and plan to attend. If you have an idea for an individual presentation or (better yet) for a panel session at the conference, please contact the chair of the ASIANetwork board for 2001-02:

Remember that unlike many professional conferences, ASIANetwork presentations focus on pedagogical, curricular, and resource issues rather than on pure research.
